Dear Mr. Maddox:

Thank you for your interest in the Illinois Regional Archives Depository System (IRAD).

In response to your letter of August 16 2012, we researched the Illinois State Normal University archives and yearbooks for the years 1923-1925. Unfortunately, we were unable to locate DIANE IRENE MADDOX even after searching multiple spellings. All three yearbooks were searched including class organizations, freshman through senior classes, and instructors as well as students added before printing with no photographs.

It might be beneficial for you to provide Ms. Maddox's **maiden** name or her **husband's** full name in order for us to better assist with your search. Thank you again for your interest in the IRAD System. If we can be of any further assistance, please feel free to contact us again.

Sincerely,

Deanna Hamblin
IRAD Intern
